

movalia

**In Movalia we believe
in turning spaces into destinations**

About Us

In Movalia we create real spaces

In Movalia we believe in turning spaces into destinations, we share a strong passion for creation, development, and continuous improvement of the user experience.

“ Our goal has become sharing with the world a taste of Mexican Art.

Customizing incredible spaces

To accomplish this, we have been customizing incredible spaces in partnership with some of the finest hotels as Garza Blanca resort & spa Cancun and Mereva Hotel in Tulum.

“ We focus on designing tools and integral solutions

We focus on designing tools and integral solutions that allow our clients to take into account the different variables involved in the user experience.

Service

Our personalized service is what makes us different. We're here to help, advise and inspire with our expertise and customer care.

“ We like design

**To be visually powerful,
intellectually and above all timeless**

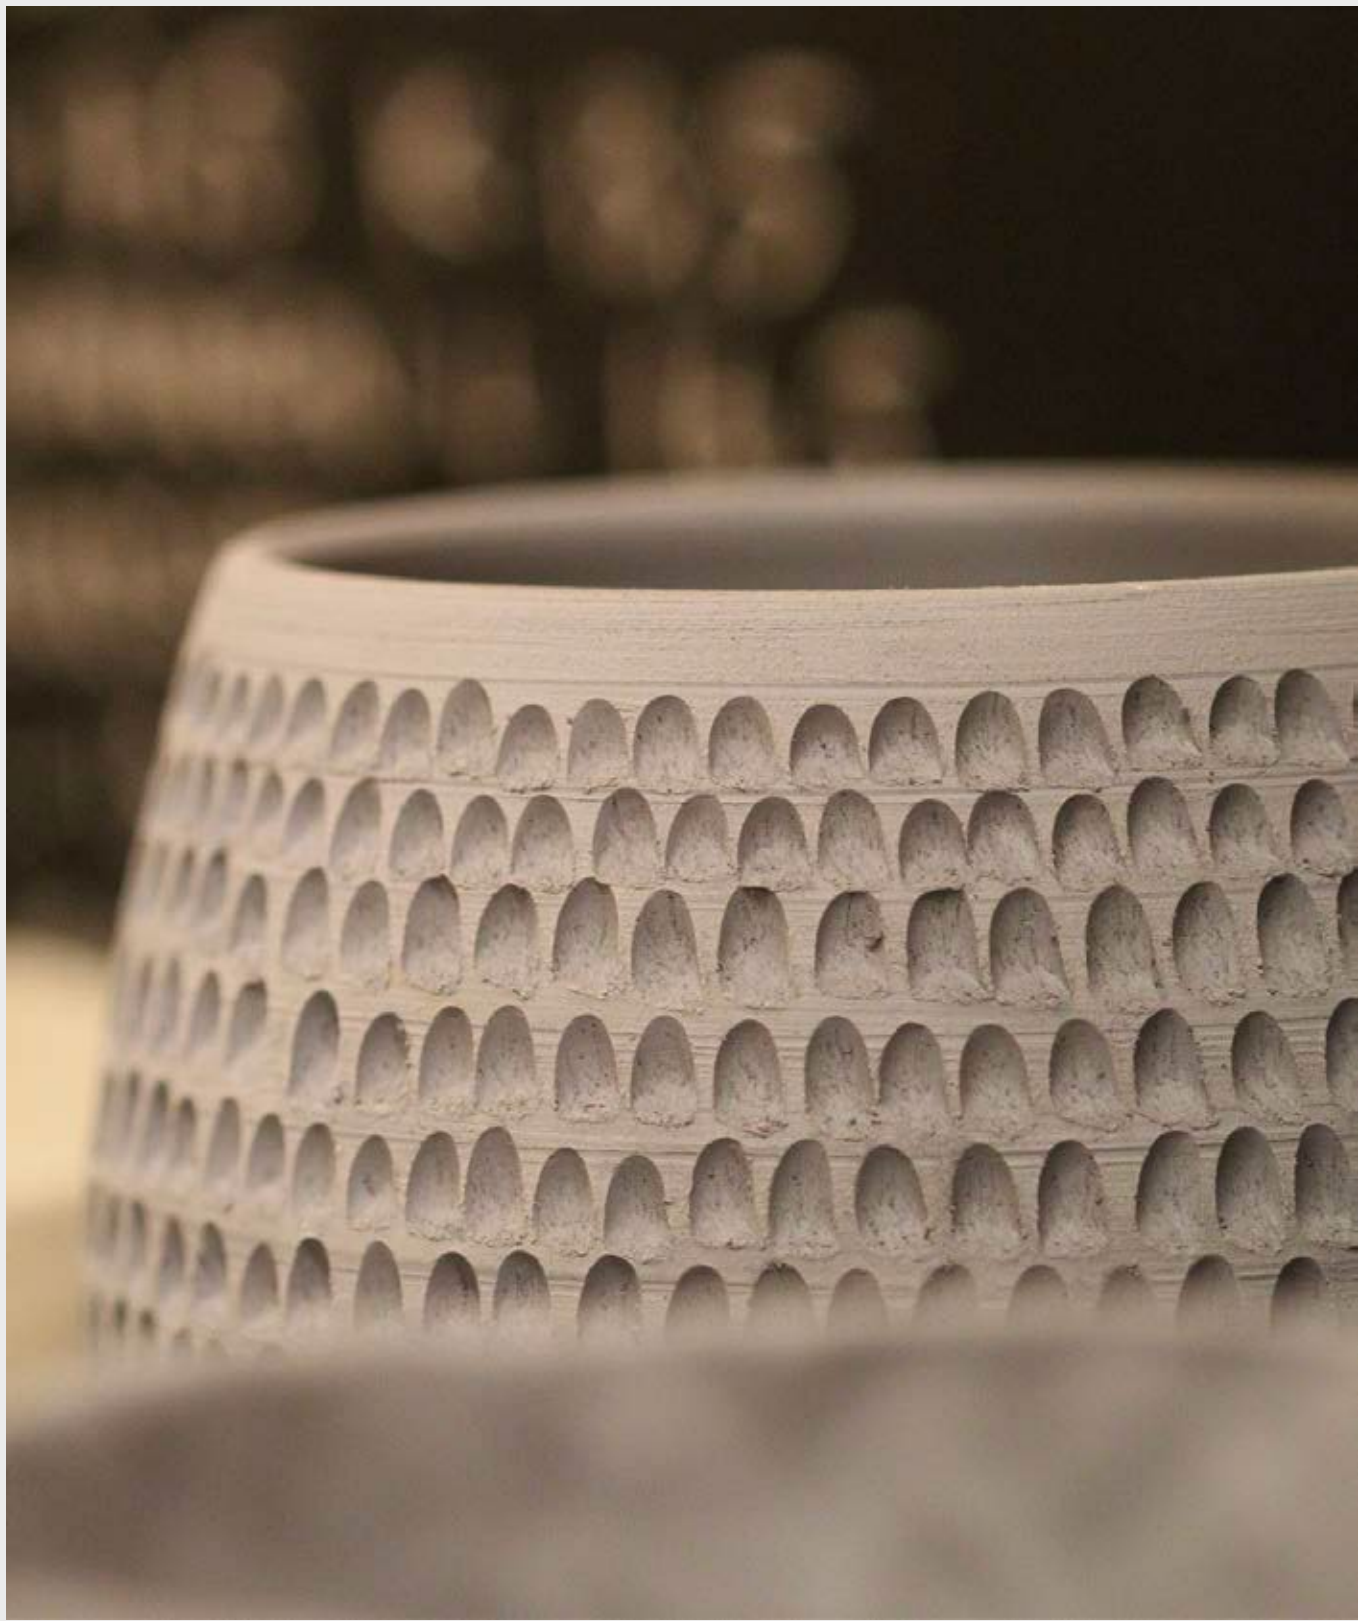

Mexican Art

Originally, the artisans' creations served practical purposes for everyday use, but over time they became a very important part of Mexican folk art, recognized worldwide and representing the entire country.

Mexican crafts

Mexican crafts, creating magical places where the imagination runs wild. Clay, wood, cotton, metal, stone, natural fibers: Mexico’s craftsmen and women are masters of materials.

Full of color and creativity

Immerse in a world full of color and creativity wether there is a wooden jaguar ready to pounce or rainbow weavings.

Origin in tradition

Having its origins in tradition and now internationally recognized, the art of Mexican crafts is now sought after by tourists and collectors.

Enhance the look of any space

Natural fibers are an ideal and inexpensive choice for furniture that will be moved often, while black clay it's a unique beauty that immediately catches the eye and enhance the look of any space.

“ Mexican art gives a unique and striking essence to spaces.

Recognized around the world for it's beauty and complexity of workmanship, mexican art gives a unique and striking essence to spaces.

Customized furniture

We combine our professional skills and passion

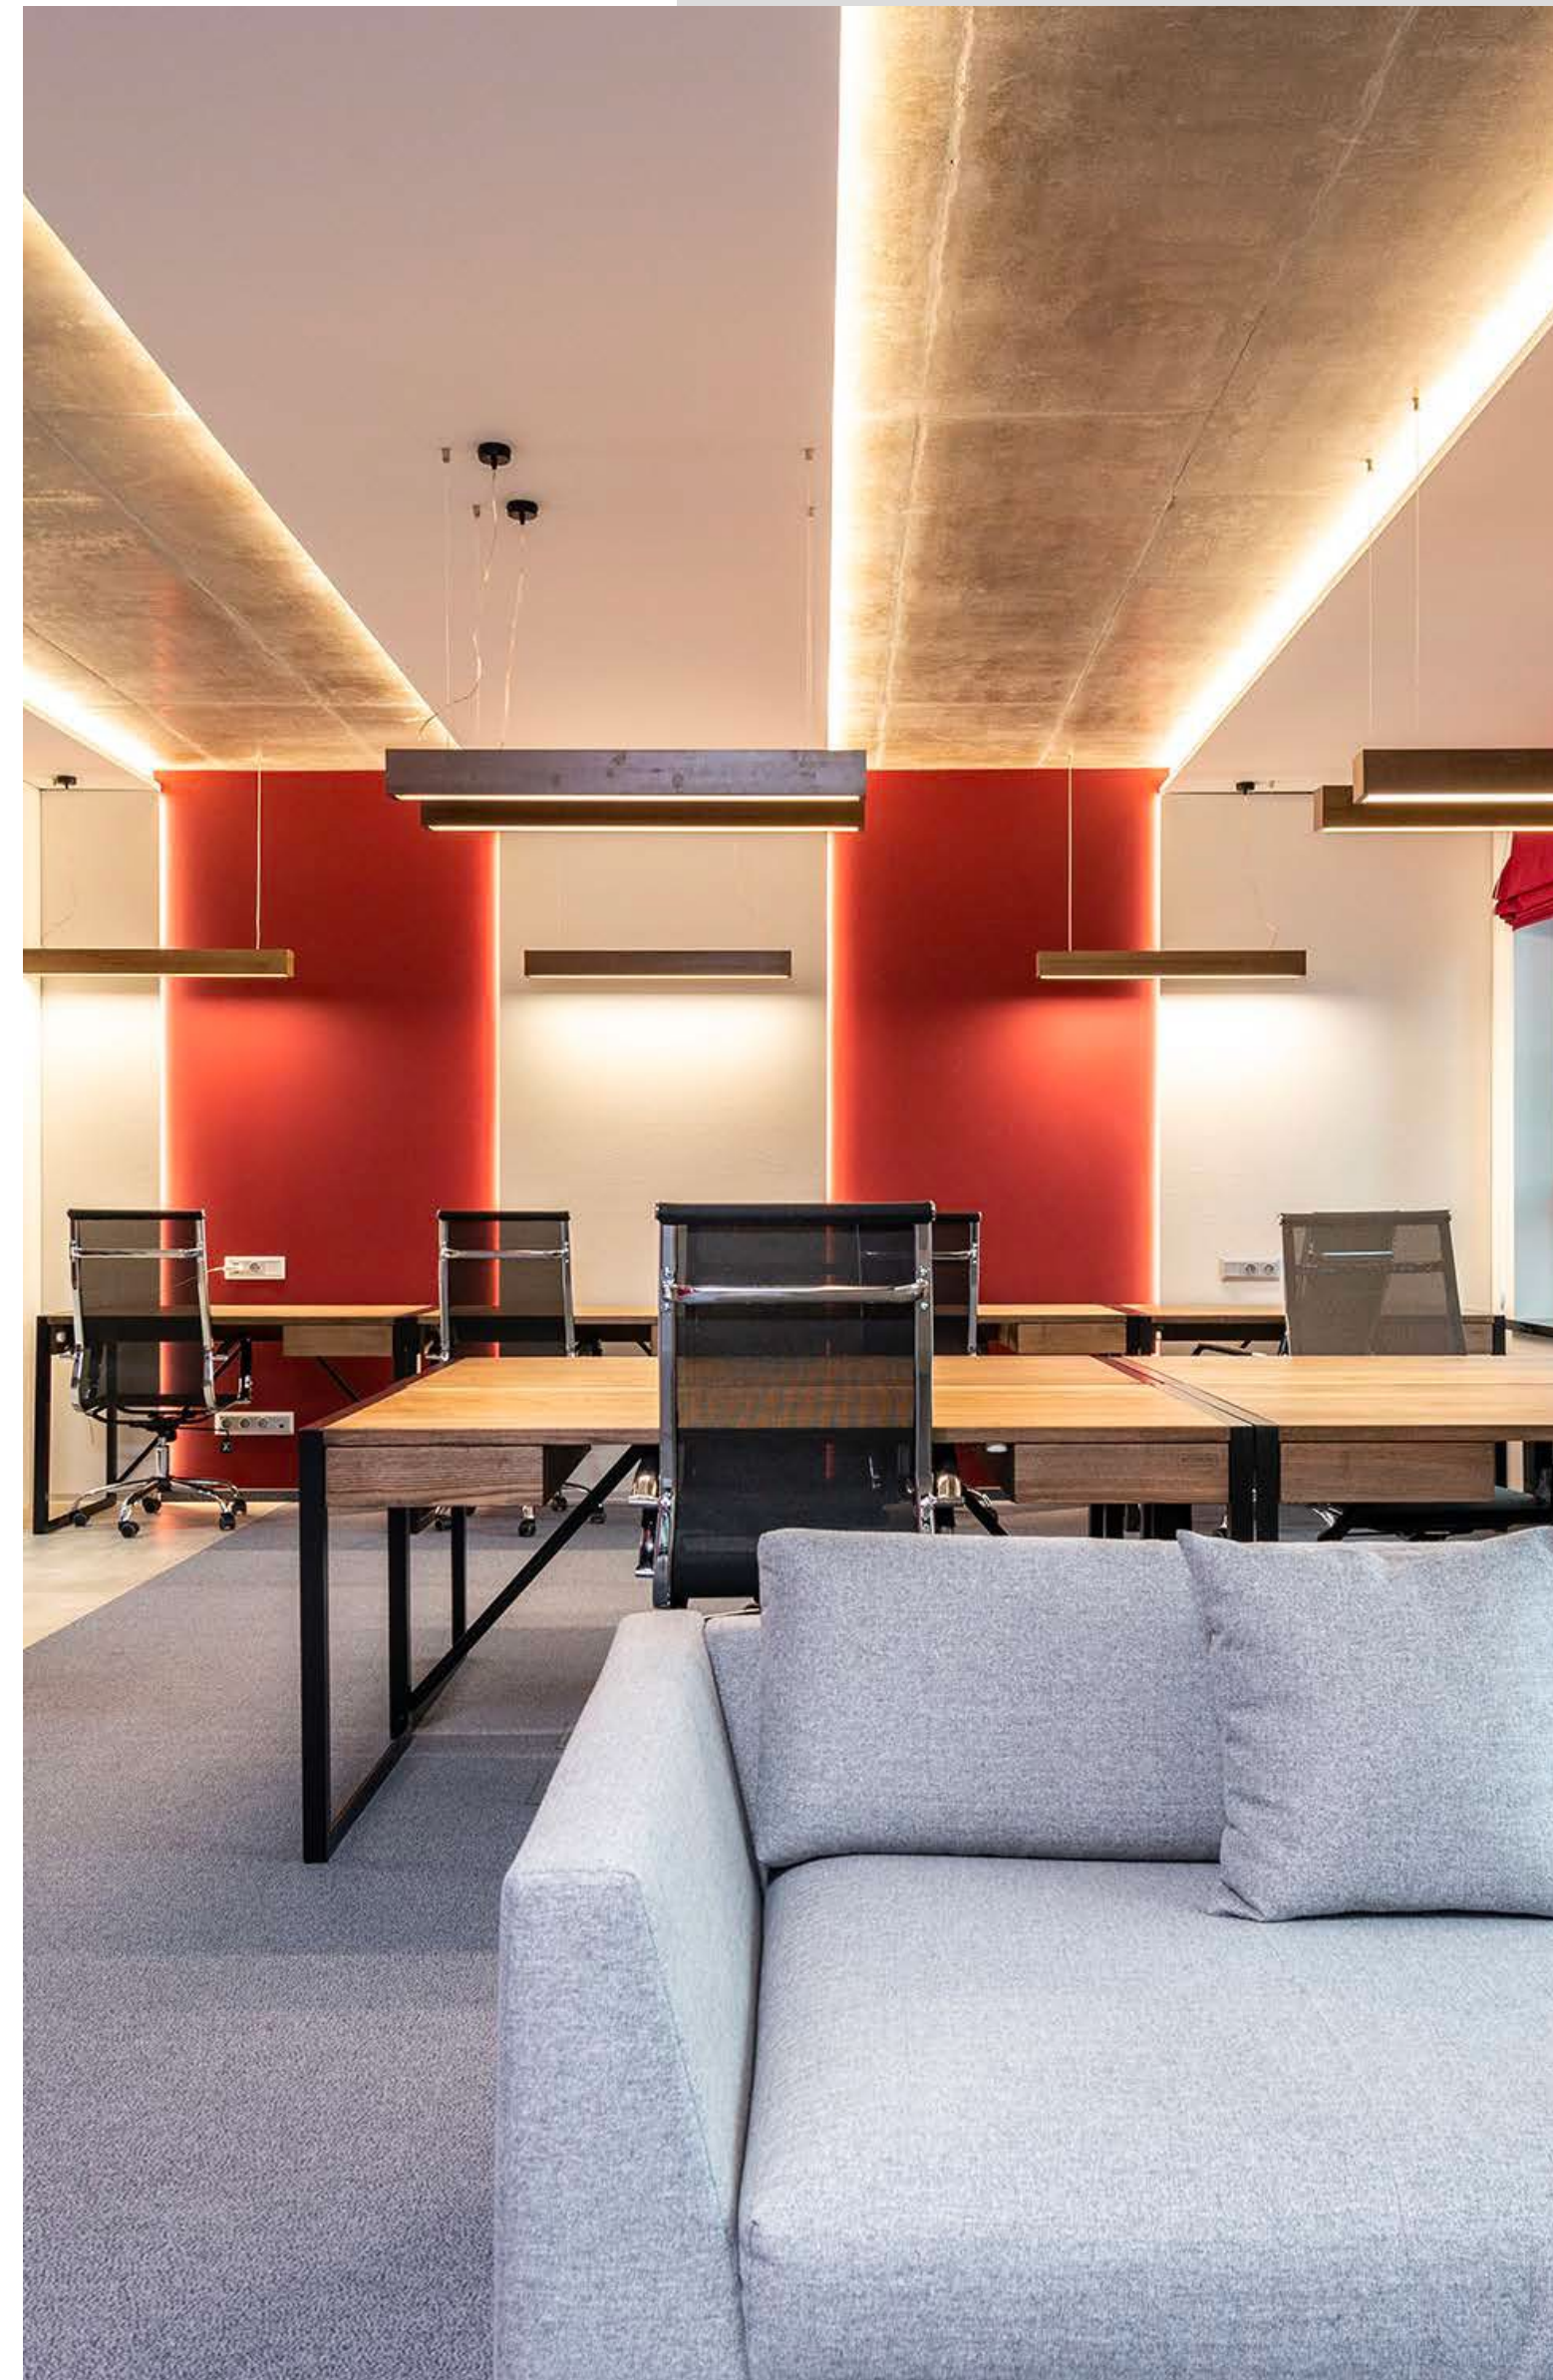

We are highly specialized in residential architecture, hospitality and commercial services.

Our work methodology consists on manufacturing furniture that offer solutions, integrating sustainability, quality and design at a better cost.

High customization

With a mix of possibilities and high customization, the furniture meets any expectations, composing sophisticated and exclusive environments.

Lean Manufacturing

**We guarantee solid
and durable
furniture over time.**

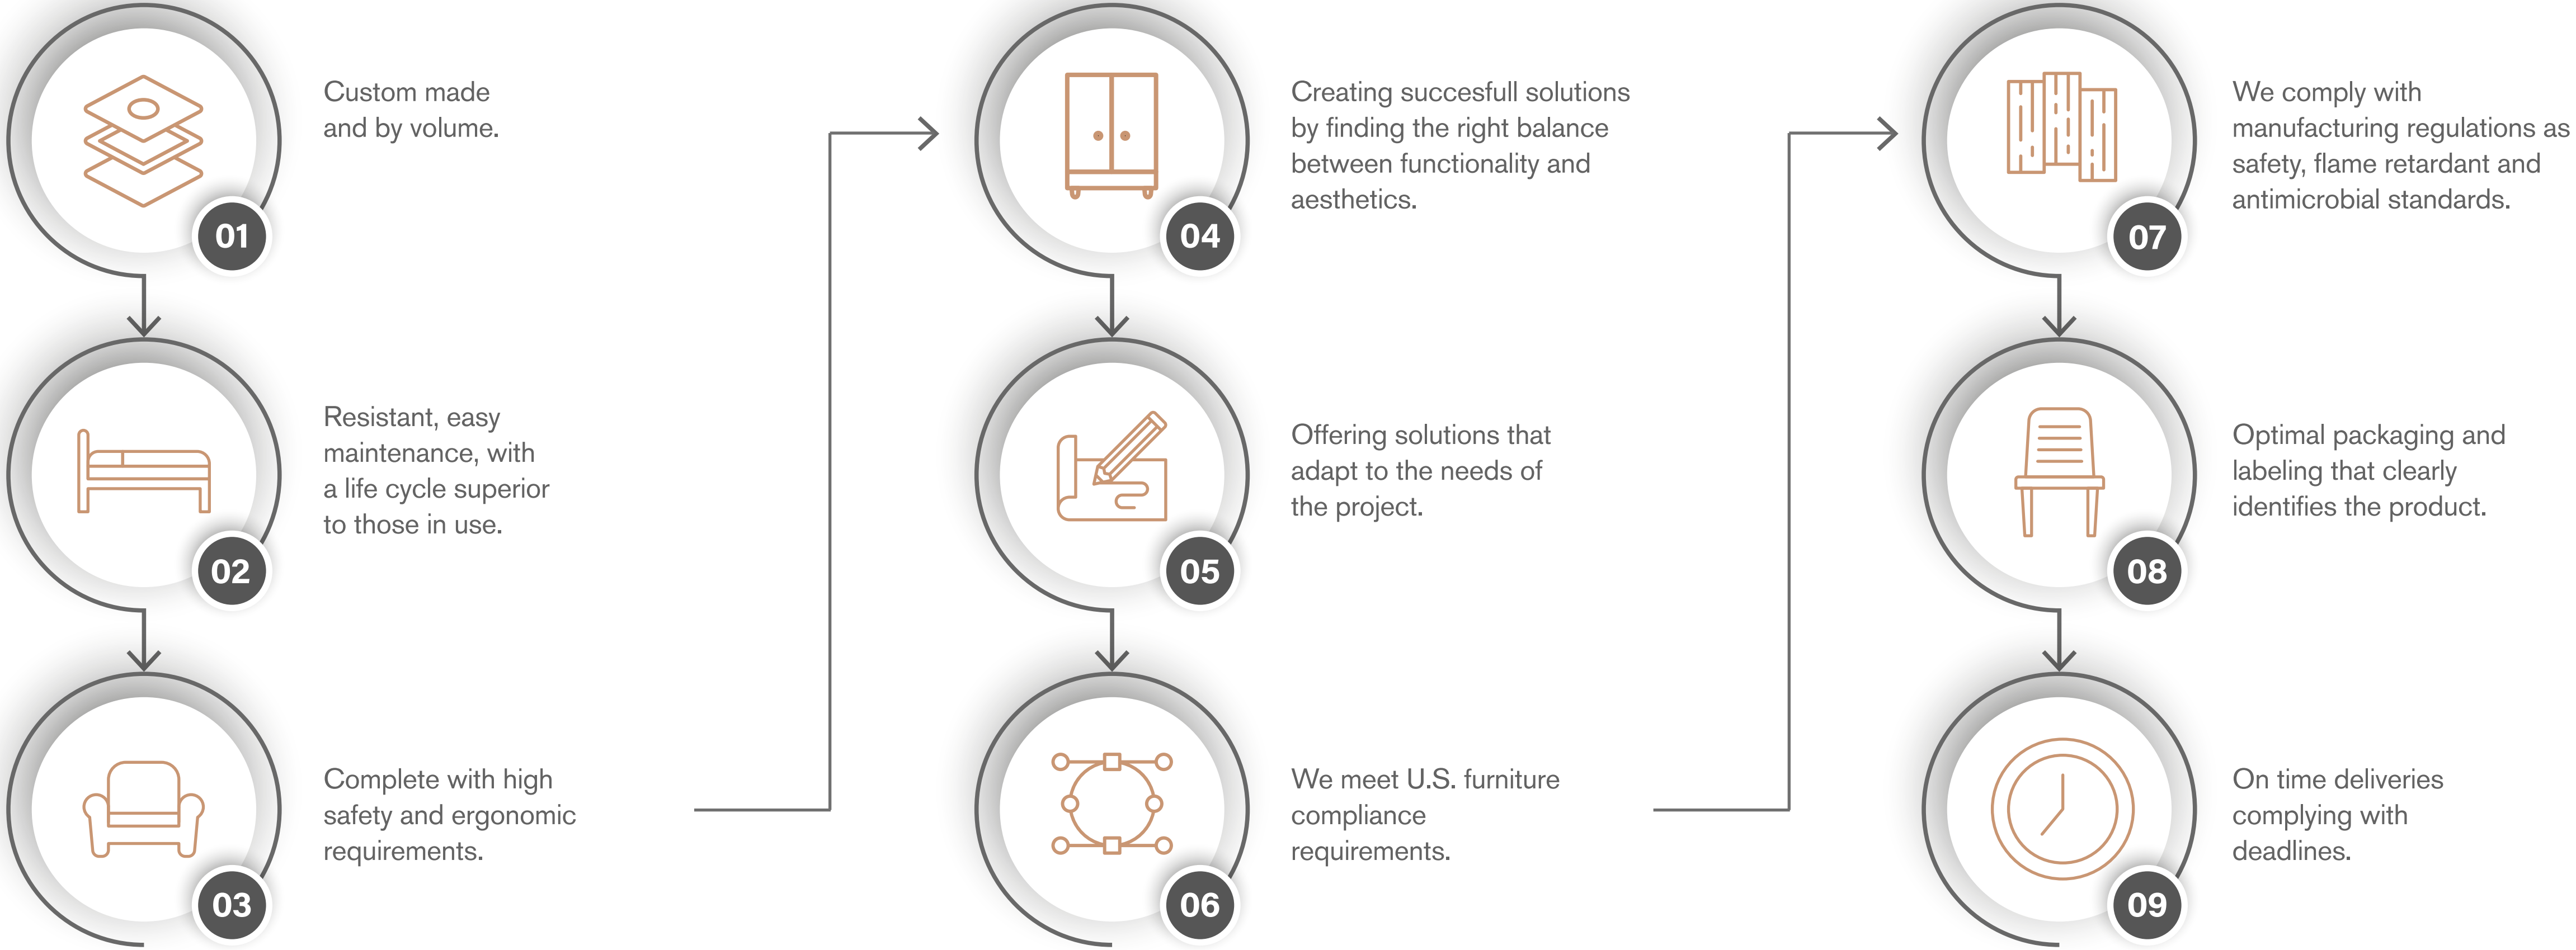

We participate in the entire manufacturing process of furniture, decoration and miscellaneous items.

We integrate design elements that guarantee solid and durable construction. We pay special attention to logistics including optimal packaging and labeling so that the project is in perfect condition for installation or use.

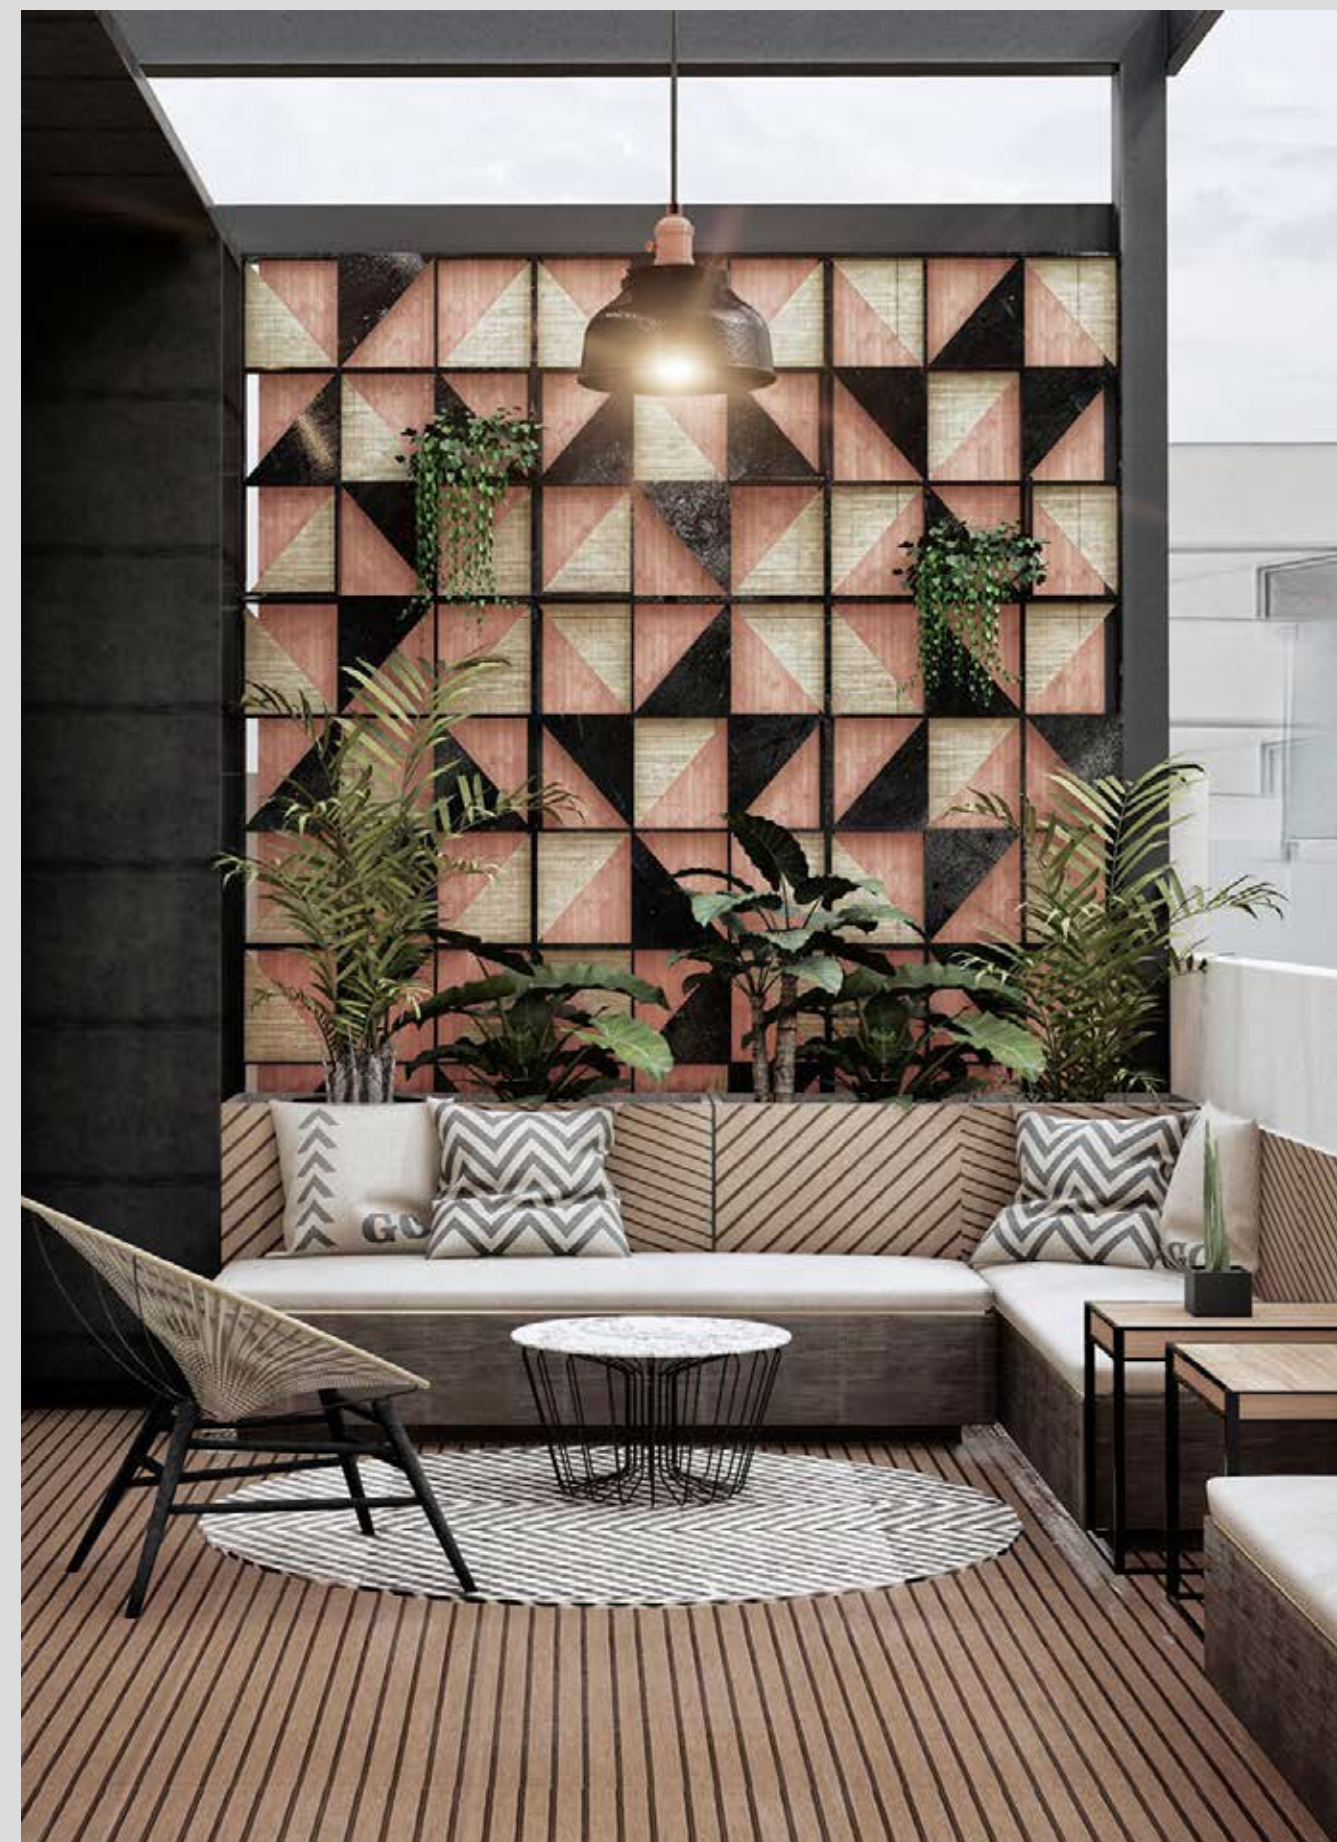

“ **High level of service to guarantee the specification of the project** ”

Our planning and manufacturing processes, entail a high level of service to guarantee specification of the project, based on a Lean Manufacturing System.

**Full color
and creativity**

**Integrating
sustainability**

**Good quality
manufacturing**

“ We share
a strong passion
for creation

Lightning

**Perceptions, sensations
and experiences in every
piece of lighting.**

The creation of illuminated atmospheres by means of handcrafted blown glass lamps, some with wood, steel and cast iron.

“ **Blown glass lamps, wood,
steel and cast iron**

Which together, manage to awaken creativity, ingenuity, harmony, innovation
and above all, the talent of expert hands that these works of art have to offer.

Functional solutions and strong commitment

We have an extensive experience handling fine woods
and developing projects for residential, hospitality and
special projects.

**“ We are specialized in residential
architecture, hospitality and
commercial services.**

“ A very strong commitment to quality

At Movalia, we have been able to provide functional solutions and a strong commitment to quality, transparency and on time delivery to guarantee a unique experience and outstanding results.
